PURPOSE

The purpose of this policy is to explain Mossfiel Primary School's commitment to making sure every member of our school community, regardless of their background or personal attributes, is treated with respect and dignity. Mossfiel Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. Mossfiel Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

Mossfiel Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

POLICY COMMITMENT

All students enrolled at Mossfiel Primary School have the right to feel safe and be safe. The wellbeing of children in our care will always be our first priority and we do not and will not tolerate child abuse. We aim to create a child-safe and child-friendly environment where children are free to enjoy life to the full without any concern for their safety. There is particular attention paid to the most vulnerable children, including Aboriginal and Torres Strait Islander children, children from culturally and/or linguistically diverse backgrounds, and children with a disability.
